Re: **HOUSE BILL No. 5487**

Dear Rep. Phil Potvin,

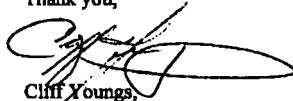

It is with great disappointment that I am unable to attend your meeting today to discuss House Bill No. 5487.

The Osceola County Road Commission has made great strides to become as efficient as possible by utilizing our own forces to perform as much as we can. House Bill No. 5487 allows the Road Commissions to utilize their own forces and reads much more clearly the rights that the Road Commissions have to enforce the sections listed in the Bill.

It is with much appreciation that I send this letter in support of this House Bill. My Road Commissioners also send their support of the House Bill.

Please feel free to offer my phone number to anyone who has questions regarding the positive impact this House Bill will have on all Road Commissions.

Thank you,

Cliff Youngs,
Engineer/Manager – Osceola County Road Commission
